

Shrey is not just a name. It's an attitude driven by passion and defining moments as nothing new ever comes from the unknown. Real innovation, design and improvements in sport will only come from operating outside the boundaries of everything that has been done before.

Shrey refuses to merely repeat the past and tries to push all limits known in the game. Today this very philosophy is reflected in our revolutionary head safety gear. Already worn and accepted by many teams and players around the globe such as India, England, Australia, New Zealand, South Africa, West Indies Pakistan, Sri Lanka, Bangladesh and upcoming cricket playing nations such as Afghanistan, Canada, Ireland, Nepal, Netherlands, Singapore, UAE and USA.

Shrey is also part of many clubs and schools that are the foundation of the yet-unknown champions of tomorrow. Ultimately, Shrey is an attitude shared by every serious athlete who walks out onto their chosen arena to conquer what they have always dreamt of.

Shrey is more than a name, it is a tradition that has been followed by a family. Keeping the legacy of Shrey Kohli alive, a man who lived every moment of his life with a passion for sport and a love for the game of cricket.

- A legacy that every member of Team Shrey wants to preserve.
